The World's Oldest Continuously Active Radio Amateur Club

AFFILIATED WITH
THE AMERICAN RADIO RELAY LEAGUE, INC.

CHARTERED AS
A NON-STOCK CORPORATION BY THE
STATE OF WISCONSIN

MILWAUKEE, WISCONSIN

This press release is furnished you by the American Radio Relay League and delivered to you as a service of THE MILWAUKEE RADIO AMATEURS CLUB, the oldest affiliate of the League.

Milwaukee Radio Amateurs Club has served Wisconsin Amateurs for over 65 years.

Each year Milwaukee Radio Amateurs Club offers training classes for persons wishing to acquire the necessary FCC licenses to partake in the hobby, with classes for each of the five grades of amateur licenses, Novice, Technician, General, Advanced and Extra.

Currently Milwaukee Radio Amateurs Club instructors administer the tests for Novice Grade licenses.

The FCC is divesting itself of the chore of administering exams for the four higher grade licenses and the club will be taking on this additional work and relieve applicants of a trip to the Chicago office of the FCC or a six months wait for exams given in Milwaukee.

For further information on the club, training program or exams please contact:
